"Enlightening Pontian"

Known as Tanah Terhujung Benua Asia which means the land at the end of the Asian Continent, the district Pontian has been gaining attention as a tourist destination. Located facing the Straits of Melaka this district is rich in lush green terrain, protected national forest as well as unique mangrove swamps that have been the natural protector of this auspicious land from the harsh weather. The fertility of the soil makes Pontian district famous for its pineapple, where there are over 100 types of Pineapple that can be found here.
